Hande Çelikkanat

Department of Computer Engineering
Middle East Technical University

Coming from Ankara, Türkiye
Completed B.Sc. degree in Computer Engineering in June

Before Graduation:
- vision and locomotion systems of robots with swarm intelligence
in CoSwarm project

Research Interests – With hopes for the future :)
- cognition, as inspired from the natural systems

And I Enjoy:

- Literature
- Linguistics, as an amateur for sure
- Nature, from any point of view…
