

Short Introduction

Alexis Maldonado
maldonad@cs.tum.edu

Prof. Michael Beetz
Intelligent Autonomous Systems Group
Technische Universität München

VVV'09

About me:

- Costa Rican living in Munich
- PhD candidate at the Technische Universität München

Interests:

- Cognitive approaches to robot movement: motion primitives, forward/inverse models, force control
- Sensing and Acting in unstructured (human) environments (Kitchen)
- ROS
- Debian/GNU Linux
